FOUNDER • CEO • DIRECTOR

25 years successful entrepreneurial experience providing dynamic and strategic leadership in adversely demanding environments

Innovative, results-oriented leader and entrepreneur with expertise in identifying niches within specific markets. Strong track record of performance in building the vision and business model for emerging small business enterprises. Utilizes keen analysis and insights to bring entities together to create strategic partnerships, synergistic teams and ecosystems in order to build products and services that meet specific niches and market potential, at the right time for the market.

PROFESSIONAL EXPERIENCE

**FOUNDER/PRESIDENT/CHIEF EXECUTIVE OFFICER AND DIRECTOR
MEDAPPS INC.**

**2006 - CURRENT
SCOTTSDALE, AZ**

Developed MedApps from concept to acknowledged innovation, setting precedent in the field of mHealth today. Manufacturer that developed a comprehensive suite of remote health monitoring devices, with an entirely cloud-based infrastructure, that effectively integrates with patients' EHRs/PHRs. Built a strong regulatory foundation by attaining 2 FDA clearances and CE and UL certifications. Achieved 23 U.S. patent applications, 3 international patent applications, 12 clarifying patent applications and filed over 20 trademarks (5 registered to date).

Notable Accomplishments:

- CTIA E-Tech Healthcare Enterprise and Vertical Market Solution Award
- BusinessWeek Most Promising Startups Recognition
- Mobile Healthcare Industry Summit Innovation Award
- Authored White Paper to Anshu Chopra: mHealth's Enabling Role in Healthcare Reform
- Speaker at Capitol Hill Health Information Technology Showcase
- Called on as an Authority Before House Committee on Veterans Affairs, Subcommittee on Health

**FOUNDER/PRESIDENT/CHIEF EXECUTIVE OFFICER
